Other things to note:

- Please only use biodegradable confetti. Please keep it within the churchyard and not near neighbouring houses.
- Please ask your wedding guests not to park in The Star public house, it is for patrons only.
- Volunteers arrange flowers weekly in church by the main altar and in the Lady Chapel. If you are planning to have your own flowers in the church and have an arrangement by the main altar we ask you to please not remove it after the ceremony as we will not have time to replace it before the Sunday morning service.
